

# **The Human Factor in Patient Safety**

## **HEE Future Leaders Human Factors Faculty**

**Tuesday 26<sup>th</sup> November 2019**  
**R-Floor, Royal Hallamshire Hospital,**  
**Sheffield, UK**

The FLP faculty for Human Factors in Patient Safety invites healthcare teams, or individual professionals, to attend these one-day training events for improved patient safety in Yorkshire and the Humber. These interactive courses are inter-professional educational opportunities for any specialty, area, or background to explore and expand their interest and understanding of Human Factors in healthcare. We are delighted to consistently receive exceptional feedback from attendees and look forward to welcoming you to join us.

08:30 - 09:00	Registration
09:00 - 17:00	What is meant by 'Human Factors'?
	How 'Human Factors' impact on patient safety
	How can 'Human Factors' can be managed for best effect?
	Human Factors in context of healthcare initiatives such as SBAR, Checklists and Brief / Debrief
	How to use this understanding to make everyday practice safer
