Hygienists and Therapists **Local Anaesthetic Update**

Course Information

HEY&H are pleased to be able to offer the popular course on local anaesthetic for dental hygienists, therapists and PLVE applicants. It will take place on Saturday 20th November 2021 [9.30am – 4pm] in the excellent clinical head facilities at Leeds Dental School. The experienced speakers are all clinical lecturers based in Leeds.

Aims

The aim of the course is to improve knowledge of, and ability to, provide intra-oral local anaesthetic for dental procedures in a safe and effective manner. Delegates will be provided with the opportunity to practice on phantom heads for both infiltration techniques and ID blocks.

Objectives

The course will discuss and explain:

- an awareness of the law/regulations and consent regarding the administration of local anaesthesia
- demonstrate an understanding of the related anatomy
- select the appropriate armamentarium
- understand the indications and contraindications to the use of local anaesthesia
- demonstrate management of pain and anxiety with non-pharmacological techniques
- demonstrate different local anaesthetic administrative techniques
- recognise the associated complications
- understand the reasons for failure
- give appropriate post-operative advice
