

YORKSHIRE CORE SURGERY TRAINEE DAY, 5th APRIL 2023: ORAL ABSTRACT SUBMISSION, PINDERFIELDS GENERAL HOSPITAL LECTURE THEATRE

Abstract submission deadline, no later than **5pm Friday 17th March 2023**

Trainees are invited to submit an abstract no more than 500 words in the following areas

- Clinical/service evaluation
- Surgical innovations
- Research/translational projects
- Education
- Leadership
- Human factors

The recommended format of clinical abstracts submitted:

*Name of presenter, current position and contact e-mail address

Co-authors and affiliations

Background

Patients and methods

Results

Conclusion

*Conflict of interest declaration

*Declaration that all co-authors have been notified of this submission and agree with the contents of abstract

*if any of these fields are not completed, the abstract could be excluded from shortlisting

Non-clinical abstracts should adhere to the above as much as possible.

Abstracts will be scored and the highest scoring ten (or more if time allows) abstracts will be selected for oral presentations on the trainee day, 10 minutes will be allocated for presentation and 5 minutes for questions and change over. Trainees will be notified if their abstract have been accepted for an oral presentation by e-mail no later than 24th March 2023. The best oral presentation on the day will be awarded the Templeton Cup Prize on the Yorkshire Core Surgical Trainees Day and there will be prizes for 2 runners up. All presenters will receive a letter/certificate of acknowledgement.

Please send your abstracts to emma.collins123@nhs.net
